

Governance and Leadership of Mizzou 2020 (revised September 29, 2015)

We intend to evaluate Mizzou 2020 semi-annually, each spring and fall beginning 2014. The Evaluation Committee will consist of representatives from the deans, Mizzou Advantage, the Faculty Council, student and staff representatives, and senior campus leadership under the direction and supervision of the Chancellor. An annual report will be made to the campus that tracks our progress with Mizzou 2020.

The organizational structure is outlined below.

Staff support provided by the office of the Provost and the office of the Chief Financial Officer.

Charge to the committee:

1. React and respond to and have input into two or more draft evaluations per year on Mizzou 2020 progress, and
2. React and respond to and evaluate modifications, additions or deletions from the Mizzou 2020, including new requests for funding.
